TERMS: Cash with order. Payment by check, money order or cash. No C. O. D.

SHIPMENT: By Parcel Post if postage is included with your order. Otherwise by Express Collect.

FOR POSTAGE, Special Handling, and Packing please add the following amount.

	NEW ENGLAND STATES	20c for each one dollar of order.
Other States	EAST OF THE MISSISSIPPI	30c for each one dollar of order.
States	WEST OF THE MISSISSIPPI	40c for each one dollar of order.

Orders over \$5.00 we will pay part of the postage, but due to increased postage rates we must ask you to add 10c for each one dollar of order.

STATE OF MAINE SALES TAX. Please add 2% to cost on all purchases bought and remaining in this State. This does not apply to shipments out of the State.

MINIMUM ORDER \$2.00 as smaller orders are shipped at a loss.

AIR PARCEL POST is most satisfactory, but expensive, for extra long distances.

Add 40c for each dollar of order if this method is desired.

Minimum Air Order \$5.00

We have shipped plants successfully to every state in the Union, to Alaska, Canada, Panama, Puerto Rico, and England. They are guaranteed to reach you in good condition. Beyond that we cannot take the responsibility for their growth. We do make adjustment in case they are badly damaged in transit, if we are notified within ten days after they are received. Our postage rates have proven to be correct for the size plants we ship. It may vary but we delight in tucking little surprises in your order and giving extra care in selecting and packing your plants which we feel more than repays you for the postage-packing charge. We do not substitute unless permitted to do so and acknowledge all orders as soon as received. We ship to avoid delay over the weekend or on holidays.

To all our many customers and friends we send our thanks for your orders and encouragement in the past. We invite your ideas, suggestions, and inquiries and wish you as much pleasure and enjoyment growing our plants as we have in raising them for you.
